Choose Between Electronic Version Or Printed Book

The Rocky Mountain PGA Golf Pass is available as a printed booklet or an electronic version. The Golf Pass contains FREE or discounted rates at dozens of golf facilities across Idaho, Montana, Nevada and Wyoming. By purchasing the Golf Pass, you can save hundreds, even thousands, of dollars on greens fees, cart rentals, range balls, merchandise, and golf lessons! Once you purchase your Golf Pass (printed booklet), we will mail it to you at no extra cost. If you purchase the electronic version, you will receive an email with login credentials that will provide you with an online account where you can redeem your offers with your mobile smartphone or tablet.

NOTE: The electronic version of the pass will be available for sale only on our website, www.rockymountainpga.com, beginning in January. The same discounts are available in both versions.

How Does the Golf Pass Work?

As soon as your order is received, you will be sent the Golf Pass booklet listing all the participating golf courses and the discounts available. With your Golf Pass in hand, simply call a participating facility, identifying yourself as a Golf Pass holder and reserve a tee time. When you arrive to play, present your Golf Pass booklet and pay the special rate available to Golf Pass holders.

If you have the electronic version of the Pass, you will simply show your phone or tablet when checking in at the golf course, pay your special rate and the course will tap your phone or tablet to reflect that the discount has been redeemed.

The Savings are Limitless

The savings with the Golf Pass are truly limitless. The more you use the Golf Pass and take advantage of its benefits, the more you save!

Order Now

You may order the Golf Pass (printed and electronic versions) online at the Rocky Mountain Section PGA website (www.rockymountainpga.com). Your printed Golf Pass will be mailed directly to you. If ordering the electronic version, you will be emailed your username and password and have instant access to your online offers.
